MICHAEL W. DOBBINS  
CLERK, U.S. DISTRICT COURT

To Whom it may Concern.

I Terrell Jones Filed a Complaint Form 1983 CASE NO. OSC 0461. I sent ~~to~~ the Court the appropriate amount but I never received a copy for me with your stamp of receive printed on it. Please mail me my copy with the appropriate date state on it for my personal file.

I also was denied appointment of counsel. The court stated that my competence of filling out the Claim Form shows I CAN present my claim adequately. and that the case doesn't involve complex issues, discovery or a Evidentiary Hearing. yet I need a counsel appointed to help interview and get statements from witnesses. I can't afford a counselor as demonstrated in my Financial Statement detailing my ~~status~~ *uses*. I appeal this decision and ask the Court to reconsider Due to I'm also incarcerated and have no income or assets.
